PROGRAM DESCRIPTIONS

Ethics Program Compliance

The Ethics Commission administers the County's Code of Ethics by encouraging and enforcing compliance and ensuring the ethical conduct of employees of the Executive Branch, County Council, selected Boards and Commissions, the Revenue Authority, Housing Opportunities Commission, Fire Corporations, and Rescue Squads. The Commission also serves in an advisory capacity to the Washington Suburban Transit Commission. The compliance goal is achieved through the following activities:

Education – the Ethics Commission provides ethics education and training for County officials and employees and provides computer access to all reporting forms required under the Ethics law.

Financial Disclosure – the Ethics law requires specific public officials and employees to disclose financial information to avoid potential conflicts of interest.

Lobbying Registration – requires lobbyists to register and report lobbying activities involving the County government when income or expenditures exceed \$500.

Outside Employment – requires employees and officials to obtain approval from the Commission to be engaged in outside employment.
